HomesteadUS.com, home of the Homestead Declaration Form has launched a new look and feel to their website.

Palm Beach Gardens, FL

HomesteadUS (www.HomesteadUS.com), the trusted industry leader in Homestead Declaration Forms, has announced their new website with a specialized shopping cart for almost every state in the United States. During 2009, HomesteadUS underwent a marketing and technology change to bring homeowners faster and easier service. They have been updating social media sites to advise homeowners across the nation how to properly and fully secure their most valuable asset; their home.

"We are excited about what the future brings for the housing market and are doing our part in securing the nation's homeowners with our Homestead Declaration Form. People don't realize how easy it is to file a Homestead Declaration, and how much it will protect them in this crazy economy and housing market bust we are in today." said HomesteadUS CEO. "As we continue to make people aware of what this form can do to protect their equity in these troubled economic times, we are striving to better our message to the consumer in hopes they realize, like insurance, you can't put a price on security in protecting your assets, your home, and your families' future."

Visit their new site at www.HomesteadUS.com and find much needed information on why every homeowner should have this simple, one-page, inexpensive legal form recorded today that may just save their home tomorrow. Whether married or single, this can help homeowners across America feel more secure their home is properly protected from liens, judgments and creditors.

###

A Homestead Declaration is a legal document which can help to protect your house and property in times of economic hardship, and it has nothing to do with the process of filing a claim for HOMESTEAD EXEMPTION! Rather, it's a short, notarized claim form that can oftentimes prevent the attachment of your land and dwelling by creditors.
